2022 Windfest Rules Governing Cook-off

- 1. COOKED ON SITE** – All meats that are entered into judging will be cooked from scratch within the constraints of the event. Pre-cooking, pre-marinating, etc. will not be allowed either on or off the cook site prior to start of the cook-off as defined by the cook-off promoter. **Meat MAY NOT be seasoned or marinated prior to 5:00am on the day of the cook-off and must be viewed by a judge prior to seasoning. Meats will be checked upon entrance of the festival grounds. For chili, commercial chili powder is permissible, but complete commercial chili mixes (“just add meat” mixes that contain premeasured spices) are NOT permitted.**
- 2. SANITATION** – All cooks are to prepare and cook in as sanitary manner as possible. Cooking conditions are subject to inspection by the judging committee at any given time.
- 3. MULTIPLE ENTRIES** – There may be times that more than one cook will cook on a given pit. It will be the Head Judge’s responsibility to monitor and handle this in a professional manner. Head Cooks must notify the Head Judge of multiple entries. Multiple entries in the same category by the same cook will not be allowed.
- 4. COOK’S MEETING** – Saturday at 9:00am. After the welcome by the Promoter and the Head Judge will be responsible to address the cooks on rules and judging procedures.

All judging containers shall be clean and free of obvious marks. Marked containers may be disqualified at the Head Judge’s discretion. Cooks are responsible for ensuring that the containers they receive are clean and undamaged. If a judging tray becomes damaged, it may be replaced when, along with the ticket attached to the lid is returned to the Head Judge.
- 9. JUDGING TRAY CONTENTS** – The Head Judge will advise all cooks entered into the competition of the exact quantities and cuts of meat or meats that will be placed into the judging tray. For Chili, the cups will be filled $\frac{3}{4}$ full. No exceptions permitted once decided.
