

## COVID-19

## **Guidance for Grocery Stores**

## Keep employees and customers safe during the COVID-19 pandemic

Screen employees daily for fever, cough, shortness of breath.

Send sick employees home.

Prohibit self-serve foods and product sampling.

Post signs at the entrance and in store warning customers to maintain 6-feet separation.

Designate an employee to ensure customers practice social distancing keeping 6-feet apart – and offer guidance as needed.

Mark floors in checkout lanes to show how far apart shoppers need to be from each other.

If available, encourage self-checkout lanes.

Promote the use of cashless purchases – tap and pay, credit/debit cards.

Consider prohibiting reusable bags.

Set up hand sanitizer stations in the store for customers and staff.

Clean and sanitize surfaces often.

Keypads, shopping carts and baskets, electronics, doorknobs, countertops

Encourage employees to frequently wash their hands with soap and warm water. Scrub for 20 seconds.
