NEWSLETTER

JANUARY - APRIL 2020

Hello Chamber Members,

As the new President/CEO of the American Canyon Chamber of Commerce, I want to express my concern for the business community. We are dealing with an unforeseen situation that does not come with any instructional manual. Because of this, I want to show my support to our local businesses by being a resource for our members during these trying times. Please know that the American Canyon business community is my number one priority and I want to make sure that you are receiving all the resources you need to be successful during the COVID-19 pandemic.

With the current Shelter-At-Home Order in place, we understand that this has put a large stress on our local business community. We as a chamber are working as hard as we can to help

link the businesses together that need support. We have also been working diligently to keep the American Canyon business list updated and accurate. We were able share this information with the *Napa Register*, *Vallejo Times Herald* and *99.3 The Vine Radio*, as well as, publicize it on our Facebook page and website. We want to ensure that we are spreading the word for our local businesses.

If you do not do so already, please follow us on our American Canyon Chamber [Facebook page](#) in order to stay connected with what we are doing next. We plan to add more resources for our members as the days go on. We understand the importance of businesses needing to be connected to one another for networking purposes. Please reach out to the Chamber if you have any great ideas that would benefit our Chamber Members.

Below are a few resources we have put together for you. If you have any questions please feel free to reach out to the American Canyon Chamber Office at **707.552.3650**.

Thank you,

Valerie Zizak-Morais,
President/CEO

AS A CATALYST

CARES ACT INFORMATION

On April 3rd, the **Payment Protection Program (PPP)** was rolled out to assist small businesses in the United States as part of the **Coronavirus Aid, Relief, and Economic Security (CARES) Act**. The PPP includes:

- Paycheck protection program if businesses need money to cover the cost of retaining employees.

- Emergency Economic Injury Grant to small businesses/nonprofits hit by Coronavirus to keep employees on, pay for sick leave, meet production costs, or pay obligations like rent or mortgages.
- Small business debt relief where SBA will cover loan payments for six months.
- Deferral of payroll taxes allows employers to defer payment of the employer on payroll taxes.

This portion of the CARES Act prioritizes millions of Americans employed by small businesses by authorizing up to **\$349 billion** toward job retention and certain other expenses. For a full overview of this program [click here](#).

To know if your small business or non-profit organization is eligible for these benefits please refer to these resources:

AS A CONVENER

P.P.E. DONATION

Our President/CEO represented the Chamber at the Donation Drive for PPE (Personal Protective Equipment) last Saturday. The group received over 45,000 masks from an anonymous donor. Read the full news article on the Donation Drive [here.](#)

Valerie, along with the Mayor's Wife, Eva Garcia, donated many of these masks to local health care providers including Kaiser Vallejo, Sutter Health Vallejo, American Canyon pharmacies, American Canyon care homes, emergency dental offices, and traveling nurses.

AS A CHAMPION

FOOD DONATION

The Starbucks Main St. location unfortunately had to close its doors this past week, however, the establishment was able to donate most of its perishable foods (milk, sandwiches, breakfast items, fruit, and snack foods) to the American Canyon Food Pantry.
