## NEWSLETTER

JUNE-JULY 2020

Hello Chamber Members,

With the ever-changing world we are in right now, we know it's hard to stay caught up. That's why we want to update you on the latest happenings with the American Canyon Chamber of Commerce. Currently our number one goal is to make sure that businesses have a place to turn to when questions and concerns arise.

We are here to connect our businesses with the resources they need to thrive. If your business is in need of PPE or signage to comply with the State regulations, please, contact the Chamber.

As we continue to move through this pandemic, the needs of our business community continue to change. We want to reassure you that we are staying dedicated to your business during these times. If you need help with navigating through unforeseen issues, please reach out to see if we can help. **That's what we do!**

If you have any questions you can reach us at the American Canyon Chamber Office at **707.552.3650**.

If you do not do so already, please follow us on the American Canyon Chamber [Facebook page](#) in order to stay up-to-date with what we are doing next.

Thank you and have a wonderful weekend,

Valerie Zizak-Morais

## BACK TO THE TABLE RESTAURANT CAMPAIGN

The American Canyon Chamber of Commerce is launching the **Back To The Table Campaign**. This campaign has been designed to encourage residents and the business community to patronize our local restaurants.

Due to the latest restrictions on indoor dining, we are going to put our first event on hold until we are able to dine in. But in the meantime, we will be highlighting different Chamber member restaurants weekly on our social media.

[Laso](#) will be our first restaurant we will be featuring, so keep an eye out for the announcement of this event! Our FIRST event will be sponsored by City Councilmen, [Mark Joseph](#).
