We have a new face at the Chamber, Julia Corpus she is my Admin Assistant. She will be putting phone calls into all of our members to assure that we have the most up to date information for you account. She will also be explaining how to use the Chamber Login to access your account. These are great resources for us to keep you connected.

We want to reassure you that we are staying dedicated to your business during these times. If you need help with navigating through unforeseen issues, please reach out to see if we can help. **That's what we do!**

BUSINESSES HELP COVID-19 TESTING Volunteers

Thank you to the these three Chamber members: [Mezzetta](#), [American Canyon Orthodontics](#), and [Western Wine Services](#), who generously donated money to feed the volunteers at the COVID-19 testing site in American Canyon.

BACK TO THE TABLE RESTAURANT CAMPAIGN

The American Canyon Chamber of Commerce is launching the **Back To The Table Campaign**. This campaign has been designed to encourage residents and the business community to patronize our local restaurants.

Due to the latest restrictions on indoor dining, we are going to put our first event on hold until we are able to dine in. But in the meantime, we will be highlighting different Chamber member restaurants weekly on our social media.

[Laso](#) will be our first restaurant we will be featuring, so keep an eye out for the announcement of this event! Our FIRST event will be sponsored by City Councilmen, [Mark Joseph](#).

What is the time commitment? An 8-week program consisting of 6 email exchanges and two 45-minute Zoom sessions.

What will I talk about? Each week, students will email you asking questions relating to your education and career path. They may ask questions such as: "Tell me about your high school experience." "When did you know you wanted to be a _____?"

During Zoom sessions students will have a list of prepared questions that haven't already been answered OR, they may ask you to evaluate something they're working on. This is something we'll work with each teacher on to ensure that these sessions are rich and meaningful connections.
