A MESSAGE FROM THE PRESIDENT'S DESK

On July 12, a new chapter began for The Chamber with the opening of its new office in Lansdale.

The board of directors made the decision in early 2021 to move forward with optimism post pandemic by building not only offices for staff but creating a separate conference room that will host chamber events as well as provide much needed meeting space for businesses and the community.

Lansdale was selected for its central location, to support economic development in the Borough as well as a return to where the organization was founded in 1913.

I am excited to have the opportunity to lead the organization during this time as we work to assist members build back their businesses and help direct those that are getting started.

Grand opening activities are planned for late August. I hope your scheduled will permit you attend. If not, please stop by at your convenience, we would love to see you.

Best,
Pam
