

SUSAN REDDING

Susan draws upon 20 years of professional experience in program design and delivery. During her years of experience at an employer's association and business owner she worked with over 500 companies to enhance their systems and improve their business results. Her expertise is in partnering with leaders of organizations to develop in-house talent and to strategically affect corporate culture.

She received her Bachelor of Science in Communication from the University of Delaware and her Master's degree in Management from LaSalle University. She has taught at the university level and has spoken nationally at various SHRM, ATD and Chamber organizations. She earned her Senior Professional in Human Resources (SPHR) accreditation and Certified Professional in Training and Development (CPTD) accreditation. She loves her current strategic initiative at a company called Greenphire and happily spends her free time doing speaking engagements, retreats and dancing her way through life.
