2022 PHILANTHROPIST OF THE YEAR JIMMY PITMAN

Greater Brazos Valley Builders Association would like to recognize the recipient of the 2022 Philanthropist of the Year Award, Jimmy Pitman!

The recipient of this award was raised in a very giving household. It was a value instilled in him as a child. To this day, he aspires to build his team and surround himself with others that share these same values.

Jimmy gives *daily* through community involvement, including coaching his daughter's basketball team, and coaching his son's baseball, basketball and football teams. He has had a huge impact on the Greater Brazos Valley Builders Association: serving as a volunteer committee member, Board Member, Past President, and so much more! On top of this, in cooperation with John Magruder, Jimmy Pitman has helped raise 2.5 million dollars that has been donated to the St. Jude organization.

As the recipient of this award, Jimmy Pitman will be given a check to present to his charity of choice, St. Jude Children's Research Hospital.

St. Jude's "mission is to advance cures, and means of prevention, for pediatric catastrophic diseases through research and treatment. Consistent with the vision of our founder Danny Thomas, no child is denied treatment based on race, religion or a family's ability to pay." In 2018, Magruder Homes partnered with Pitman Custom Homes to build the first St. Jude Hope House in College Station. Through a lot of collaboration and community effort, the home was sold last year with the sale proceeds of \$500,000 going directly to St. Jude Children's Cancer Research. A second St. Jude Hope House yielded another \$500,000 donation. The third St. Jude Showplace home was built by Ranger Home Builders, a company formed by John Magruder, Jimmy Pitman and Blake Cathey. This home was built with an opportunity to win it by purchasing a raffle ticket. The lucky winner had purchased just one ticket and it answered her many prayers and changed her life forever. Ranger Home Builders donated the full \$700,000 in proceeds back to St. Jude. Stay tuned for the FOURTH Dream Home Giveaway...

Thank you, Jimmy, for continuously lending your hand to those in need, especially the sick children of our lifetime.
