The **Retail Bank** includes retail clients, high-income clients and very small and small businesses, in addition to products and services for non-account holders.

The **Wholesale Bank** is responsible for high net worth clients (private banking), the units in Latin America, banking for middle market and large companies and corporations through Itaú BBA, the unit responsible for corporate clients and for its role as an investment bank.

Main brands and commercial partners

Itaú consists of four business units in the USA, complementing the products and services offered by our Latin American operations
