

Since 2006, EXPERIENCE CLUB is Brazil's most important and efficient corporate networking platform.

Through relevant events, business forums and experiences, CEOs and top management executives of the most important companies promote important knowledge exchanges and business opportunities.

A large indoor event space with a stage, audience, and large screens. The audience is seated at round tables with food and drinks. The stage features a blue car and a speaker. Two large screens above the stage display the name 'ALYSSA CARSON' and her contact information. A large screen on the right displays the word 'EXP'.
