"I've done business with a lot of people there, the only person I've never been disappointed with, has always gone beyond expectations is you, a real partner ... I have nothing but compliments for you ... Everything there is so complicated, people are not straight forward, all has to be spelled out in the contract and even then, it's complicated. I want to tell you something, thank you very much for everything, I am incredibly lucky to work with you. Whatever I need there, there is no doubt, it's you, you and you, nobody else."

Marcus Souza

"My property, in a period of 3 months, went through two realtors, no showings, no offers... Marina, in just three weeks, had the property under contract."
