## About

AXS Law is a full-service boutique law firm dedicated to providing practical and comprehensive solutions to complex matters. Although most of our lawyers gestated in the womb of Big Law, we formed AXS Law with a view to disrupting the traditional law model to better address the needs of the modern business law consumer. We do this first and foremost by bringing our own expertise as entrepreneurs. Our attorneys are encouraged to pursue entrepreneurship and this, in turn, gives us the perspective and "guts" to help our clients navigate, not avoid, risk.

## About

Milo Credit is a fintech born out of the simple belief that everyone should have access to great amazing products. As foreigners in the US, we knew that was not the case. We felt that we were being left behind in the financial revolution. Banks had neglected us, lenders avoided us, and others just wasted our time. This frustration led to action and compelled us to create a company with global consumers unique situations at its core.

I would like to introduce myself: Evandro Gois.

I am the CEO of Expertness Translations – A Legal, Corporate & Individual Translation Services.

WHY EXPERTNESS TRANSLATIONS? IT IS TRUSTWORTHY.

Expertness Translations is a company with three decades of experience in the business translation market.

**D&B – D-U-N-S Number is 088578036.**

We are based in Miami since 2013 and Brazil since 2001.

We have a team of experienced translators in the USA, Brazil, and Latin American markets.

We translate corporate documents, such as manuals, catalogs, articles of incorporation, by-laws, and many other types.

We translate individual documents for all types of visa in several languages.

We would like to have the honor of becoming your partner to strengthen our commercial bonds, which will benefit both parties.

I am looking forward to hearing from you.

Yours truly,

## About

Our firm's greatest asset is the intellectual capital our people have developed over decades, and yet it's our ability to also deliver personalized attention that moves clients to stay with us year after year. We often hear that Abitos provides the best of both worlds: the responsiveness and attention to detail of a smaller firm, combined with the resources and experience of a national network of experts.
