

Familiarize Yourself with Where Local Government Entities Solicit and Advertise Opportunities.

- Broward County Purchasing Division issues and receives solicitations through an electronic bidding system called Periscope S2G.
- Vendors can complete the registration process online in just a few minutes. It is free to register with Periscope S2G and you do not have to pay a fee to view any solicitations once registered.

- You can search by Solicitation, which allows you to search by solicitation number, type, title or date. Search by BidSync to search for Goods & Services and Architectural & Engineering contracts issued through BidSync. You can also search by Pre-Qualification Pool for spot market purchases. Finally, you can search solicitations by Commodity.
