

# A BETTER WAY

to control group health benefit costs

**A Comprehensive Health Benefits Plan for you and your employees is more affordable than you might realize!**

With the ongoing state of current affairs, one of the ways you can save is by reducing the monthly cost you and your employees pay for benefits. Your **CHAMBER BENEFITS PROGRAM** is an exclusive voluntary benefits program offered to members of the Greater Federal Way Chamber.

- Fully-funded health insurance plans tend to be expensive for small businesses, many are turning to level-funded health plans, which blend the economic advantages of self-funding with the financial predictability of fully funded plans with better coverage. **SAVINGS OF UP TO 20% OR MORE.**
- Convert out of pocket expenses into **CASH IN YOUR POCKET.**
- Dental plans with a annual benefit maximum of \$5,000
- Want to switch your open enrollment period? You can switch health plans at any point during the year. **WHY WAIT TO START SAVING MONEY?**
