

# STOP giving away money START paying for what you need

- ✓ Reduce your health insurance rates by up to 20%+
- ✓ Get a return of premium each year (pay for what you need!)
- ✓ Reduce employee out of pocket costs
- ✓ Increase dental insurance yearly plan max to \$5,000 with crowns paid at 100%
- ✓ Increase vision insurance from glasses every other year, to every year!

**REDUCING COST** is paramount. One of the ways you can save is by reducing the monthly cost you and your employees pay for benefits, without sacrificing coverage.

Your Chamber Benefits Program is an exclusive voluntary benefits program designed to **SAVE MEMBERS MONEY!** Did you know that you don't have to wait for your regular open enrollment period to switch insurance should a better option(s) be the right choice for your business?
