Departing from Dún Laoghaire, immerse yourself in the beauty of the Irish capital's sensational seaside views. Set in Glasnevin, north of Dublin, the gardens contain more than 15,000 plant species. Dublin, the city of the river that flows through the plain, is a thriving metropolitan food and drinks scene beloved for its falconry centre in the grounds of Luttrelstown Castle; you'll learn all about the birds before witnessing their awe-inspiring beauty. Founded in The Liberties, Teeling Whiskey is one of Ireland's oldest pubs that dates back to 1198. This means a private distillery tour and tasting experience.
