

GivingTuesday™ is
Tuesday, December 1st.

Join us on this global day
of giving so that more care
packages get in the hands
of those battling cancer!
Help us collect

2,000

of our most needed
care package items
and reach our goal
in serving

200

more Friends in the Fight
with a year of support
through our programs!

*Please note: all items need to be new and unused, because our friends with cancer have compromised immune systems.

Gather items with your neighborhood club, church, school, other organization or on your own and bring to our Crown Point Hope Center for a special collection and photo op on
December 1st between 930am - 6pm.

Not local? COVID concerns?

Utilize our AmazonSmile Charity list bit.ly/PFcharitylist to ship directly to us OR make special arrangements for your drop off by emailing judye@philsfriends.org.
