

RIBBON TYING

TYING OUR COMMUNITY TOGETHER

1. **Call or e-mail** the Sullivan County Chamber of Commerce and let us know you would like to participate!
2. The Chamber of Commerce will bring each of the participating businesses two pieces of ribbon and a Ribbon Tying Sign for your door.
3. You will tie your two pieces of ribbon together. Video or capture a photo of the moment, post it to your business social media and use the hashtag, **#TyingOurCommunityTogether**.
4. The Chamber will compile all the photos together in a gallery on the Sullivan County Chamber of Commerce Facebook page.
5. When we have the all clear, we will gather in central locations throughout the county tie all of the ribbons from the participating businesses together and then will celebrate an **Official Ribbon Cutting** as a team!

Your business will get exposure multiple times as a community leader and we will have the opportunity to celebrate together!
